

Push your boundaries

i-swim3 – the innovative pool lift, adaptable to your needs

The unique movable arms system provides multiple configurations and great flexibility. I-swim3 is the smart solution for a wide range of pool decks, wellness and rehabilitation centers.

i-swim 3 is available in 2 different sizes: STANDARD with 180 kg lifting capacity, or MAXI with extended arms and 250 kg capacity.

The lift can be equipped with a fix seat, movable seat or with a stretcher as well.

Dimensions

Configurations

The arms can be set in 4 different positions to configure the device for different pool decks.
