## M2 MULTI-TIP SHOWER/COMMODE

Our shower/commode chairs are well known for their elegant design and strong frame. We have many chairs in our range that comes in different sizes and with functions for every need.

**This brochure is about our M2 Multi-Tip, which is electrically height and angle adjustable. This is some of the smart features on the chairs:**

- Stainless steel frame
- Electric height adjustment is independent of seat angle
- PU foam seats
- Wheels with closed circuit that make them resistant to hair and dirt
- User-friendly features
- A wide range of accessories ensures good customization options for the individual user

**Read about our shower/commode chairs in this brochure.**

# M2 MULTI-TIP

M2 Multi-Tip is equipped with a closed, waterproof electrical system with no visible wires. The power plug can be found under the cover at the front of the chair and plugged directly in for the power outlet—without the use of an external charger.

It is possible to check the remaining power at the battery symbols at the top of the hand control.

The chair can be adjusted independently in seat height tip function. This gives the best opportunity to place the user in the correct position. The adjustable netweave backrest ensures optimal support and the wide range of accessories provide a pleasant experience.

With their low entering height, the users who have the strength can sit down themselves and are not forced to use a lift.

**M2 Multi-Tip standard:** 50 cm

**M2 Multi-Tip Mini:** 48 cm

**M2 Multi-Tip Big:** 55 cm

# IDEAL SHOWER/COMMODE WHEN THE WORKING ENVIROMENT IMPROVED

M2 Multi-Tip is the right choice if you want to improve the helpers working enviroment.

The Multi-Tip chairs is equipped with 125 mm or 150 mm wheels with closed shaft that make them resistant to hair and dirt.

Multi-Tip chairs are as standard equipped with directional fixed wheel which will ease the manoeuvring and secure the working enviroment for the helper.

As standard equipment, you will receive a comfortable hipstrap for safety and it gives the user a good sense of security.

**BOXED:**  
Art.no. 310800-B

Multi-Tip is a unique shower/commode chair made to fulfill the demands of the future. The electric adjustment of the height is independent from the tip function. It can handle users up to 150 kg. The horizontal seat height can be adjusted from 53 to 95 cm, and the seat angle can be tipped from  $-5^{\circ}$  forwards to  $35^{\circ}$  backwards, using the hand control.

With a low entering height at just 50 cm, the users who have the strength can sit down themselves and are not forced to use a lift. The electric height and tip function is stepless and independently adjustable. The adjustable netweave backrest ensures optimal support and the wide range of accessories provide a pleasant experience.

## M2 MULTI-TIP WITH FIRM BACK

Material	Stainless steel
Seat width	46 cm
Seat depth	44 cm
Max. User weight	150 kg
Weight of chair	36,3 kg
Seat height	53 cm–95 cm

It is also possible to get the M2 Multi-Tip with a PU backrest instead of the traditional netweave back.

The advantage of the firm back is that the chair is easier to clean and therefore more suitable for re-lending.

# M2 MULTI-TIP BIG SHOWER/COMMUNE CHAIRS

## M2 Multi-Tip Big CAN HANDLE UP TO 200 KG

HORSESHOE SEAT  
Art.no. 310804-B

CAN BE DELIVERED ASSEMBLED FOR  
EXTRA SERVICE CHARGE. USE PRO-  
DUCTS ART.NO. + ART.NO. 310363

With our M2 Multi-Tip Big there is room for most users. It can handle users up to 200 kg and has 54 between the armrests. The armrests are fitted with soft PU foam and snap lock.

The features are the same as our normal M2 Multi-Tip, which has a user weight up to 150 kg but there is more space with the Multi-Tip Big. The horizontal seat height can be adjusted from 55 to 101 cm, and the seat angle can be tipped  $-5^{\circ}$  forward to  $35^{\circ}$  backwards using the hand control.

HORSESHOE SEAT  
WITH BLUE BARS  
Art.no. 310806-B

CAN BE DELIVERED ASSEMBLED  
FOR EXTRA SERVICE CHARGE. USE  
PRODUCTS ART.NO. + ART.NO.  
310363

With a low entering height at just 48 cm, the users who have the strength can sit down themselves and are not forced to use a lift. Our M2 Multi-Tip can handle users up to 80 kg and has 33 cm between the armrests. The armrests are equipped with soft PU foam and quick release locks.

M2 Multi-Tip Mini is as standard delivered with magenta lift bars but it is also possible to buy the chair with blue lift bars. The chair hasn't got a shell that needs to be replaced as the user grows, but rather a product that is so flexible that it can follow the child's development day by day. There are many accessories available, making it possible to adjust to the user.
