

Shower & Bath

Amber

Comfort, hygiene and safety for perfect patient and personal care.

Electric height adjustable wall changing table

REF. 7754.00

The wall changing table is safe for both the patient and the user. The wall-mounted unit is height adjustable and has a multi-functional design. By positioning this highly versatile changing table to the correct height, transfers can be easily made from other aids such as beds, stretchers, shower seats and wheelchairs.
