Main features

Design

We are convinced that aesthetics and technical characteristics are equally important. The "Tarta Kid" design has been meticulously studied to be essential and at the same time lively.

Multipurpose

Tarta Kid has been designed to be used in different situations during the day. From chair to stroller, from home couch to restaurant table.

Recommended age

This product is suitable for 8 month-old to 3-4 year-old children.

Washable at 40°

Adjustable

Tarta kid has been thought to be regulated by parents. Very easy adjustments allow the immediate product management for everyone.

Comfort

The foam and the microfiber fabric give the pads a unique feeling of pleasantness and softness.

Height and depth

| "Closed" cm 19

| "Open" cm 26

Height: the values are measured by the level of the seat to the underarm measurement.

Inclination

Inclination degrees: -5° +30°

The backrest can be tilted by tightening or loosening the screw between the seat and the backrest.

Width

The width of the Kid can be easily changed without the use of any tools..

Thanks to the use of a special aluminum, the width can be changed with a simple manually-exerted pressure.

Approximate values:

chest: 13 to 23 cm

pelvis: 17 to 25 cm
