

Milestone 212 Ace

The Book Reader.

Milestone 212 Ace is your private library that fits in every pocket. As a result of avoiding overcomplicated features, it remains simple and easy to use.

- **Book reader** compatible with DAISY, NLS, Audible, EPUB and Bookshare.
- Adjustable reading speed, bookmarks and sleep timer.
- High-quality **voice recorder**. Ready to record in 3 seconds.
- **Music & Text Player**: MP3, WMA, AAC, M4A, TXT, DOC and more.
- 12 GB internal memory, can be upgraded with up to 32 GB SD-cards.
- Easy to use media player — **6 buttons only**.
- Stylish design in credit card format, with a vibrant ruby red coating.
- Powerful speaker and headphone jack.
- Optional: Add-On Fame.

Milestone 212 Ace conveniently unites our three most popular applications within a credit card sized device. You can listen to books, record or play voice recordings and listen to music. Thanks to the six big, tactile buttons, the handling is effortless and apprehensible.
