

## MANGAR Leglifter

The inflatable Leglifter raises, lifts and transfers the users' legs into bed.

### EASY TO FIT

- Fits most beds including profiling beds
- Straight forward to fit or remove, and requires no permanent installation
- Attaches to the bed underneath the mattress
- One airline connects the Leglifter to the Airflo Compressor and inflation is activated by pushing one button

### SIMPLE TO MAINTAIN

- For a routine clean, sponge clean with a detergent solution and dry thoroughly
- The covers can be machine washed
- Spare covers can be purchased

- The materials are designed to exceptionally high standards with extraordinary durability, strength & performance in the toughest of environments

### SAFE TO USE

- Raises, lifts and transfers legs into the bed
- Leg break on profiling beds can still be used once Leglifter is fitted
- Aids independence

### IMPROVES WELL-BEING

- Minimises moving and handling so reducing the risk of musculoskeletal injury for the carer
- Fits discreetly against the side of the bed
- No permanent installation required
