A VISPERO<sup>®</sup> BRAND

*The ideal magnification companion at home or on the go*

Lightweight and easy to use, simply place Amigo directly on your reading material, or hold it up to view objects at a short distance. Adjust magnification and contrast with the simple press of a button. Read price tags, menus, labels, street signs, and more—anywhere!

## Amigo Features:

- 8" high-resolution LCD screen
- 2 high-definition cameras for up-close and short distance viewing
- Live image panning—pan through a live image without moving your material
- Built-in rechargeable battery provides up to 3.5 hours of continuous use
- Built-in reading stand positioned at a comfortable viewing angle
- Adjustable magnification up to 30x
- Line marker and masking features
- 24 available color modes
- Image capture with save capability
- Video output over USB-C port
- Easy-to-use, large tactile buttons
- Carrying case included

MKT-0129-00, Rev. 08/2023

## All-New Visual Display Settings:

- **Dynamic Contrast:** provides a sharper, clearer, and more defined image, making undetectable text visible again
- **Edge Effects:** makes the edges of objects in an image stand out
- **Color Blindness Filter:** assists with color differentiation in real time
- **Light Sensitivity Filter:** mutes the lighting of very bright colors
