AMF-BRUNS CASSETTE LIFT K90 FOR VW T6

Slim AMF-Bruns cassette lift for the side loading door

K90 shown in stowed position. The slim design guarantees ultimate ground clearance.

K90 in lowest position at the ground. Barrier folded down.

THESE FACTS MAKE ALL THE DIFFERENCE

» Load capacity 300 kg

» Slim design guarantees ultimate ground clearance

» New illuminated controls, waterproof and shockproof (!)

» Automatic barrier operates on uneven roads and snow, too!

» Original step is obtained

» Powerful, quiet action ensures smooth operation of the lifting platform

» Totally enclosed stainless steel box provides protection for the lift system even in extreme weather conditions

» Large lifting platform, suitable for large electric wheelchairs

» Vehicle interior remains unchanged

» No changes to the car body necessary

» Manual emergency operation

» EMC tested according to EU regulations

» Meets EN 17576, II requirements
